

SCN Meeting Minutes November 19, 2019

Stephanie Horak called the meeting to order at 9:16am.

Kandi Hensel, Director of Special Education, shared information with the group regarding behavior interventions and student trauma that we are seeing in the district. She also shared information regarding how special education functions within the district. Dr. Beth Augspurger, behavior interventionist at Clive Elementary, and Emily Burroughs, behavioral interventionist at Stilwell Junior High, also shared more about their role as behavior interventionists in the district.

Caryn Kelly, Intercultural Outreach Coordinator, shared about how the district's bilingual family liaisons help support our English for Speakers of Other Languages families. Caitlin Quirk also works with the program through Americorps. She shared about some of the district outreach programs as well.

Open Forum with Dr. Remy

Dr. Remy asked Mike Sherman to share information regarding the ISASP test results. Individual test scores will be sent home with each student later this week.

Dr. Remy also shared about the School Board Reception on November 25th where the new school board members will be welcomed to the Board. She also mentioned that the December school board meeting surrounds the financial audit and changes to various programs of studies within the district.

Laine Mendenhall-Buck shared that many emails from the district are being earmarked as SPAM. They are working to get everything straightened out. Facebook Live is still available for any group interested.

New Ideas from Schools

Stephanie Horak shared that Clive Community Services is in need for winter coats for adults and children.

The meeting adjourned at 11:25am.
